AGENCY: Environmental Protection Agency.

ACTION: Establishment of Advisory Committee.

SUMMARY: As required by Section 9(a)(2) of the Federal Advisory Committee Act (FACA), 5 U.S.C. App., EPA is giving notice of the establishment of an advisory committee. This committee will provide recommendations and comments on the process and procedures to develop and operate a national environmental laboratory accreditation program, and will be known as the "Environmental Laboratory Advisory Board" (ELAB). EPA has determined that the establishment of this advisory committee is in the public interest and will assist the Agency in performing its duties under its various statutes. Copies of the Committee's charter will be filed with the appropriate committees of Congress and the Library of Congress in accordance with section 9(c) of FACA.

The membership of the ELAB has not yet been appointed by the Administrator. The first meeting of the ELAB will be announced separately in a **Federal Register** notice.
